

Communication Skills Course (Self-Paced)

Master the fundamental communication skills needed to get ahead. Much of your job success depends on your ability to communicate well, both in person and on paper. Discover how to analyze verbal and nonverbal communications, write clearly and concisely, organize and deliver an oral presentation, and break down communication barriers to work better with others.

Group classes in Live Online and onsite training is available for this course. For more information, email onsite@graduateschool.edu or visit: <https://sdfm.graduateschool.edu/courses/communication-skills>
