- Federal Employee Retirement Benefits for Administrators: CSRS & FERS Introduction (16 Hours)

Federal Human Resources Management Course

This course introduces participants to the principles and processes of federal human resources management (HRM) within the unique merit system environment. Through expert instruction, participants will explore key HRM functions and their interrelationships to effectively manage federal employees.

- Principles of federal HRM and their impact on decision-making.
- Compensation processes, including classification, pay, and benefits.
- Federal hiring processes and equal pay for equal work.
- Strategies to improve employee engagement and workforce satisfaction.
- Performance management, including employee development and appraisals.
- Equal Employment Opportunity (EEO), employee relations, and labor relations programs.

Processing Federal Personnel Actions Course (Washington, D.C.)

Gain the expertise to document and process federal personnel actions with precision and compliance. This course covers essential forms, terminology, and procedures to ensure accurate and efficient HR operations.

- Utilizing the Guide to Processing Personnel Actions for SF-52 and SF-50 forms.
- Selecting the appropriate nature of action codes, legal authorities, and remarks.
- Computing service computation dates and determining retirement coverage.
- Adjudicating and documenting veterans' preference entitlements.
- Managing within-grade increases, probationary periods, and career tenure requirements.
- Understanding the impact of allowable non-pay time on personnel actions.

Adjudicating and Applying Veterans' Preference Course

Gain a comprehensive understanding of veterans' preference laws, including who qualifies and when preferences apply. This course covers adjudication processes, special appointing authorities, and practical applications in competitive and excepted services.

- Identifying circumstances when a veteran's preference applies.
- Understanding types of veterans' preference, including for spouses and family members.
- Adjudicating veterans' preference claims accurately.
- Applying veterans' preference in competitive and excepted service appointments.
- Utilizing special appointing authorities like VRA and 30% or More Disabled Veterans.

Calculating Service Computation Dates Course

Learn to determine creditable service and compute all types of Service Computation Dates accurately. This course emphasizes hands-on exercises to verify service, apply SCD rules, and make necessary updates.

- Understanding what Service Computation Dates (SCDs) are and their importance.
- Determining creditable service for civil and uniformed employment.
- Verifying prior service and computing SCDs for leave, RIF, TSP, and retirement.
- Recognizing when and how to update an employee's SCD.
- Applying differences between SCD types, including severance pay.

Federal Employee Benefits & SSA Entitlements for Administrators Course

This course provides HR professionals and retirement counselors with the knowledge to explain how Social Security and Medicare benefits interact with federal retirement systems. Participants will gain a comprehensive understanding of eligibility, benefit calculations, and how these programs affect retirement planning for federal employees.

- **Social Security Benefits:** Explains eligibility requirements, benefit computation, and how Social Security integrates with CSRS and FERS annuities.
- **Medicare Coverage:** Describes Medicare Parts A, B, C, and D, including enrollment periods, coverage options, and coordination with FEHB plans.
- **Integration with Federal Retirement Systems:** Examines how Social Security and Medicare impact federal employees' overall retirement income and long-term financial planning.
- **Retirement Counseling Application:** Builds the skills needed to guide employees through the process of applying for Social Security and Medicare, providing clear advice on how these programs influence retirement timing and benefits decisions.

Federal Employee Health Benefits for Administrators

This course provides HR professionals and benefits counselors with the essential knowledge to navigate and explain federal health and insurance benefit programs. Participants will gain a solid understanding of eligibility, enrollment options, and available benefits to effectively guide employees through their choices.

- **Federal Employees Health Benefits (FEHB) Program:** Covers eligibility, enrollment procedures, and available plans for employees and retirees.
- **Federal Employees' Group Life Insurance (FEGLI) Program:** Explains coverage options, eligibility requirements, and retirement and survivor benefits.
- **Federal Long-Term Care Insurance Program (FLTCIP):** Describes eligibility, coverage features, and long-term care planning considerations.
- **Flexible Spending Accounts (FSA):** Demonstrates how FSAs operate, including tax advantages and strategies for managing healthcare and dependent care expenses.

Federal Employee Retirement Benefits for Administrators: CSRS & FERS Introduction

This course provides HR professionals and retirement planners with the essential knowledge to advise federal employees on retirement benefits under the Civil Service Retirement System (CSRS) and the Federal Employees Retirement System (FERS). Participants will gain an in-depth understanding of eligibility requirements, service crediting, benefit computation, and the Thrift Savings Plan (TSP) to support informed retirement decisions.

- **Civil Service Retirement System (CSRS):** Covers eligibility rules, creditable service, retirement options, and annuity computation methods.
- **Federal Employees Retirement System (FERS):** Explains eligibility, benefit structure, creditable service, and integration with Social Security and the TSP.
- **Thrift Savings Plan (TSP):** Details contribution options, investment strategies, and withdrawal procedures, emphasizing its role in comprehensive federal retirement planning.
- **Retirement Counseling Skills:** Builds the ability to provide clear, accurate guidance to employees on retirement options, financial planning, and transitioning from federal service.
