COURSE SYLLABUS

Premiere Pro Certification Online

Build a strong foundation in video editing as you work with real-world projects using Adobe Premiere Pro. You'll explore timeline editing, color correction, audio mixing, and effects while preparing for the Adobe Certified Professional exam with hands-on training and expert guidance.

> Group classes (Live Online) and onsite training are available for this course. For more information, email onsite@graduateschool.edu or visit: https://sdfm.graduateschool.edu/certificates/premiere-pro-certification-program
